# WELCOME

Dear Breeders, clients and friends,

I'm really excited about the 2026 Victorian season.

The strength of the Victorian breeding and racing scene continues to grow, develop and unify. We've seen it in the strong Victorian two-year-old form through the Sydney juvenile features this year. We've seen it in the quality of first-season sires being offered statewide as our farms continue to invest. Your investment in your own farms, personnel and broodmare bands is evident. The number of international and interstate operations now backing stallions standing in Victoria — I see it as a great feather in our industry's cap.

The world is facing real challenges, and Australia is not without them. With that in mind, we're focused on providing high quality options at great value — and on working with breeders to ensure we're all here to enjoy the game together a long time from now.

I want to thank our partners, team and staff. They continue to help build Lovatsville into a farm that is competing with the majors - a feat we could not have achieved without the support of our internal team but most important you, our clients. It has given us every incentive to keep growing, and to keep challenging the market.

This year, we're proud to add Espionage to the roster. A multiple Group-winning 2 year-old son of Champion Sire Zoustar, a \$1 million James Harron purchased Magic Millions yearling, prepared by Gai Waterhouse and Adrian Bott, and now standing with Coolmore's support. He is a stunner. A great coup for our farm and for Victoria, and he stands at an introductory fee of \$11,000.

Move To Strike holds at \$16,500 with his first foals imminent — and after a quality 143-mare first book that made him the second most popular first-season stallion in Victoria last year, we're eagerly anticipating the big, strong, dark, shiny stunners that should be his foals.

Royal Meeting returns at a meet-the-market \$8,800. Capable of getting a Champion 2 year-old like Hayasugi, a city winner anywhere across the nation or trade horse to Hong Kong as his record there continues to grow.

Fierce Impact also leans into a breeder-friendly price of \$8,800 — four stakes performers, an 8% black-type-to-runners strike rate, and a Deep Impact-line profile the market has been freshly reminded of by the rise of Sheza Alibi. Strong, durable sorts that improve with age, typical of his own race record and what his great sire Deep Impact produced.

Generation comes back at \$6,600 — the same price Written Tycoon stood at in his third season at stud. He profiles remarkably closely to Sword Of State in pedigree, physique and performance. That boom young sire has earned a healthy fee rise to \$50,000 this season off the back of a fast start. We expect the same from Generation.

Gold Trip — a king of an animal, the only horse since Rising Fast to contest consecutive Cox Plates, Caulfield Cups and Melbourne Cups — and now becoming a sleeper in the market as word spreads about the quality of his foals. For a horse with his quality, ability and aptitude he is an unbelievable \$5,500 this season.

We're open for business. We're keen to get on the road, see your farms, hear about your horses, and find ways to keep working together. If you have a question, want to inspect any of the stallions, or simply want to talk a horse through — please call me directly.

Stay safe and healthy. Best of luck for the 2026 breeding season.

## ESPIONAGE

ZOUSTAR - IN TIMES OF WAR (STREET CRY)

**\$11,000 INCL GST**

16.0 HH

**\$1,000,000 YEARLING. GUN 2YO BY ZOUSTAR.  
ENDORSED BY COOLMORE.**

When you hear that a yearling colt has brought \$1,000,000 to the bid of James Harron you know one thing - It must be an absolute beauty. The renowned judge is famed for his selection of precocious colts and they all have one thing in common - They are always very, very good-looking.

When Coolmore and their partners stump up \$5,000,000-odd to then buy a James Harron colt you know one thing - It must have size, scope and strength, but above all, it must have exceptional quality.

Espionage is all of the above and more - he is as remarkably good looking as this story suggests. A beautifully coloured stallion with a fabulous Zoustar-styled head. A brilliant loose mover with a plunging girth and a great shoulder, both in strength and in shape.

He has great length, short cannons, good length to his strong hocks (another noted Harron attribute) and one of the most outstanding temperaments you are likely to see.

So the good looking Espionage makes his million bucks as a yearling. He enters the Waterhouse & Bott yard and early on nominates himself as their 2 year-old to follow. He dazzles at the early trials, wins the time-honoured Breeders Plate with great tenacity and lists his name alongside star sires like Snitzel, Pierro, Choisir, Capitalist, Sebring and Charge Forward. Following a spell he returns to take out the Group 3 Kindergarten Stakes, a race won by the likes of Bivouac, Forensics, Solar Charged, Snowland and Belle Du Jour.

Following the Coolmore acquisition Espionage was mooted for an Everest assault in either the Coolmore or James Harron Racing slot, however an untimely injury put paid to those hopes and ultimately a Spring Campaign.

Being out of a well performed Street Cry mare and the grandson of a Magic Millions winner in General Nediym's Military Rose, this brilliant looking son of Champion Sire Zoustar hails from a very active branch of the famed mare Summoned, the family of speed influence Zedative. He has precocity, performance, physique and pedigree to make an immediate and lasting impact on the Australian breeding and racing scene. Espionage has a brilliant ownership group behind him with a 50-strong group of fast Australian mares added to his book already.

A precocious, Group winning son of Champion Sire Zoustar, Espionage has a pedigree which can accommodate and complement many broodmare lines. The key individuals and families identified in Espionage's ancestry are accompanied by recommended sires (shown in **BOLD**), whose presence in mares' pedigrees can complement or reinforce these lines.

Encosta De Lago and Flying Spur are from the CIBOULETTE branch of the (4-g) family. Other family members to source are **HOME AFFAIRS**, **RUSSIAN REVOLUTION**, **FINANCE TYCOON**, **SPIETH**, **COCO LA TERREUR**, **NIGHT SHIFT**, **SNAADDEE**, **KHELEYF** and **HOLY ROMAN EMPEROR**.

It is also worth sex balancing Flying Spur or Encosta De Lago for a speed boost. Daughters of **ENCOSTA DE LAGO** can be sourced via mares by **ALABAMA EXPRESS**, **IMPENDING**, **INVADER**, **DIVINE PROPHET** and in future, **SWORD OF STATE**. Broodmare sires carrying sons of **FLYING SPUR** include those by **ALL TOO HARD**, **CASINO PRINCE**, **MAGNUS**, **JET SPUR** and **SHAFT**.

Espionage carries Machiavellian, Danehill (twice), Halo and a total of five lines to Northern Dancer, all tracing to **ALMAHMOUD** (2-c). Halo appears as damsire of Machiavellian, on Espionage's fifth remove. Sons of **HALO** in mares will sex balance this important ancestor. He can be found via daughters / granddaughters of **MORE THAN READY** (and sons **BETTER THAN READY**,

**BENICIO**, **PERFECTLY READY**, **PLUCK**, **SEBRING**), **DON'T SAY HALO** and **DUBLEO**. **SUNDAY SILENCE** is also a son of Halo with descendant daughters in Australasia. They include those by **DEEP IMPACT** (sons **SAXON WARRIOR**, **MIKKI ISLE**, **STAPHANOS**, **REAL IMPACT**, **SATONO ALADDIN**, etc), **ADMIRE MARS**, **FUJI KISEKI**, **ANY GIVEN SUNDAY**, **KEEP THE FAITH**, **HEART'S CRY**, **TOSEN PHANTOM** (and son **BRAVE SMASH**), **TAYASU SUYOSHI** and **ZENNO ROB ROY**.

Other **ALMAHMOUD** family members to seek in mares' pedigrees are **ACE HIGH**, **SUPIDO**, **WAY OF LIGHT**, **EXIT TO NOWHERE**, **EL MOXIE**, **YOUTHFUL LEGS**, **DIATRIBE**, **ESPERERO**, **L'EMIGRANT**, **CANNONADE** and **ARCTIC TERN**.

The **TORPENHOW** (8-f) family is represented by Redoute's Choice and his damsire, Nijinsky II. Linebreeding to this family is a very successful pattern. **AL MAHER**, **MASTERCLASS**, **HURRICANE SKY**, **NEW REGENT**, **SPINNING WORLD**, **DOMESDAY**, **EL GRAN SENOR**, **TRY MY BEST** (sire of **LAST TYCOON**), **FAR NORTH**, **THE MINSTREL**, **UMATILLA**, **XAAR**, **FREE AMERICA**, **GOOD JOURNEY** and **FRIENDLY RELATIONS** are other family members to seek in mares for Espionage. As an example, Group 1 winner Schwarz is by Zoustar out of a daughter of **NOT A SINGLE DOUBT** (sex balancing Redoute's Choice) and also traces on tail female line to a half sister to Redoute's Choice, further reinforcing this valuable line.

Street Cry, damsire of Espionage, is a close relation to **SHAMARDAL** and works very well with him in matings. His sons **LOPE DE VEGA** (and sons **BELARDO** and **LUCKY VEGA**), **EARTHLIGHT**, **GHIBELLINES**, **PUISSANCE DE LUNE** and **SHAMOLINE WARRIOR** are valuable sources.

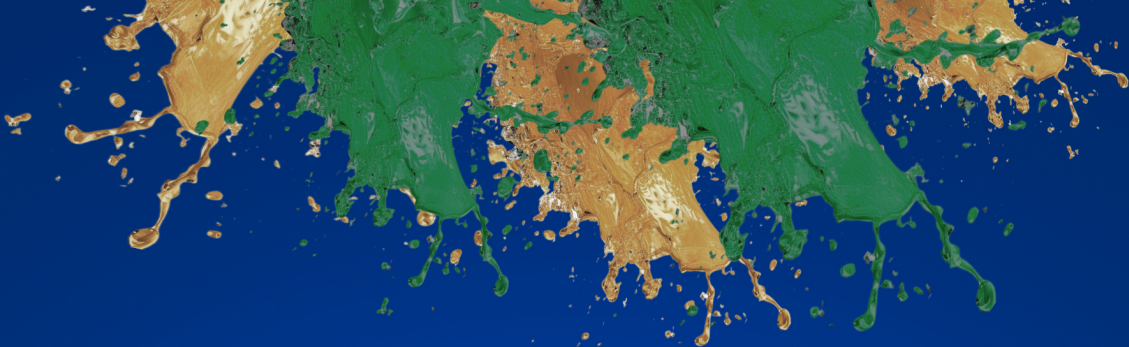

Espionage's fourth dam is **SUMMONED**, a taproot of the **PARAFFIN** (1-n) family. This is also the immediate family of **ZEDITAVE**, **JET SPUR** and **ALANNON**. **RESET** mares carry Zeditave, present as his damsire. Zoustar has produced over ten Group 1 winners to-date and analysis of his best stock reveals the mares by (or carrying) stallions accessible in Australasia.

Espionage carries **GOODY TWO SHOES** family members Northern Meteor and Fairy King via Zoustar. Other members of this family which would enhance this line are **SADLER'S WELLS**, **NUREYEV**, **PERUGINO** (and son **TESTA ROSSA**), **TATE GALLERY**, **GEIGER COUNTER**, **YEATS**, **INFLATE**, **THATCHING**, **THATCH**, **TOPSIDER**, **FESTIVAL HALL**, **LORENZACCIO** and **OPEN DAY**. **ZABEEL** is out of a Nureyev mare. Three of Zoustar's ten Group 1 winners reinforce this family via their dams. **FASTNET ROCK** has an excellent strike rate with Zoustar of 12.7%\* Stakes Winners to Runners.

As a further example of successful sex balancing, Zoustar's dam is a daughter of Redoute's Choice. He has worked well with mares carrying sons of **REDOUTE'S CHOICE**. This cross has an impressive Stakes Winners to Runners ratio of nearly 11%\*.

# Drill for OIL where it has been found before:

**I AM INVINCIBLE** stood his first season at \$11,000. A South Australian Group 3 winner, his main assets were his speed and his exceptional looks, both traits he passed on to his progeny. A multiple champion sire whose fee reached a record of \$302,500.

**ESPIONAGE: SPEED ✓. EXCEPTIONAL LOOKS ✓. AFFORDABLE FEE ✓.**

**WRITTEN TYCOON**, a Group 2 winning 2 year-old who stood his first season at \$8,250. Hailing from a colonial sprinting family, he has a brilliant girth and great strength, both traits he has passed on to his progeny. A Champion Sire whose fee peaked publicly at \$165,000.

**ESPIONAGE: GIRTH & STRENGTH ✓. COLONIAL SPEED PEDIGREE ✓. EXPLOSIVE 2YO FORM ✓.**

**ZOUSTAR**, Reigning Champion Australian Sire. Sire of more than 80 stakes winners from 839 winners, including Group 1 winners Sunlight, Joliestar, Zougotcha, Schwarz, Lezoo, Mizzy etc. Great colour and quality. Stamps his stock. Fabulous temperament.

**ESPIONAGE: STAMPED WITH ZOUSTAR'S HEAD, COLOUR AND QUALITY ✓. BRILLIANT 2YO FORM ✓. BRILLIANT BRAIN ✓.**

“He was very much a precocious 2-year-old, a sensational horse with enormous speed who did everything so easily. He has such a fabulous temperament, which is so important. He is as good-looking a colt as you will find, and being a fast son of Zoustar with looks like his, I know that breeders will be very impressed when they see him.”

- Champion Trainer, Gai Waterhouse.

“Espionage embodied everything that we look for in a stallion prospect as a yearling. He has great quality and presence, lovely purpose to his action, a deep girth and natural athleticism. What was equally impressive was his attitude, I would have inspected him a number of times, at various stages throughout the days and he was totally unflappable every time. His pedigree is naturally something that drew us towards him. It combines the brilliance of Champion Sire Zoustar, together with a family replete with Australian speed, through his second dam, Magic Millions winner Military Rose.

I love the dam sires in his pedigree - he's out of a mare by Street Cry, who is as good a broodmare sire as there is in the world, who is in turn out of a mare by General Nediym, bringing that fast colonial speed that works so well. Beyond those, the next two damsires in his pedigree are also great Australian speed influences, Flying Spur and Marauding.

I think he's a stallion who will suit a large proportion of the Australian mare population. He's got the size and strength to suit the smaller speed mares, while also having the quality to put some refinement into bigger mares who need a bit of tidying up.”

- Espionage's yearling purchaser, James Harron.

## MOVE TO STRIKE

I AM INVINCIBLE - NO EVIDENCE NEEDED (SHARMADAL)

\$16,500 INCL GST

16.1 HH

**THE FIRST GROUP 1 WINNING TWO-YEAR-OLD BY I AM INVINCIBLE. EVER. AND HE DID IT BEFORE CHRISTMAS TOO.**

I Am Invincible has been Champion Australian Sire three times. From humble race course performances, and a stud career which began at a modest fee of \$11,000 (incl. GST), he has climbed the greatest of heights, seeing his fee reach a peak of \$302,500 (incl. GST) and to the time of print having sired 125 individual stakes winners.

Under great management and from consistent, committed support he has been nothing short of a phenomenon. Known as speedy, good looking, strong bodied sorts, the Vinny's generally get going at 3 and beyond. This is why we are so excited by Move To Strike as he is I Am Invincible's first (and one of only two) Group 1 winning 2 year-olds.

He has the typical Vinny strength, that immense quality, a lovely action and great demeanour - all traits the market fell in love with on inspection and review of his profile as he covered 143 quality mares in his first season at stud making him the second most active freshman in Victoria. Like other stud farms we are salivating at the prospect of his first foals arriving. We are expecting these strong, dark, deep, shiny stunners to hit the Spring paddocks, from an array of quality Group performed or Group producing mares and from a number of the nations top breeders.

The Vinny sireline is booming too- headlined by Home Affairs, the sire of this season's Golden Slipper winner Guest House, along with the upward trending

Hellbent and of course too our neighbour and VOBIS stalwart Brazen Beau.

So when you look at your stallion selections this season. Look at Move To Strike, because he ticks every box. An expensive yearling purchase, bought by a famed judge and reflected in his own impressive stature.

A pre-Christmas winning 2 year-old who returned as an Autumn Group 1 winning juvenile. By the hottest sireline and sire of sires in the country in I Am Invincible. Out of a high-quality Group 2 winning, Group 1 performed Shamardal mare. Priced at \$16,500 with big numbers to support an explosive start in the ring, then on the track.

The individuals and families present in Move To Strike's pedigree as described below, are accompanied by suggested sires to seek in mares' pedigrees (marked in **BOLD**) to complement or reinforce these features.

Focusing on Move To Strike's sire I Am Invincible, his 10-time Group 1 winning daughter **IMPERATRIZ** is bred on the same cross as Move To Strike, also being out of a Shamardal mare. Her second damsire is Encosta De Lago (by Fairy King). I Am Invincible has had plenty of success with mares from the sire lines of **FAIRY KING**, his brother **SADLER'S WELLS** and three-quarter brother **NUREYEV**. Group winners bred on this pattern by I Am Invincible include **MEDIA SENSATION**, **INVINCIBELLA**, **LOMBARDO**, **DAME GISELLE**, **WISHFUL THINKER**, **LIBERTINI**, **MISS LEONIDAS**, **TIZ INVINCIBLE**, **KING'S GAMBIT**, **ENRICHED**, etc.

**FAIRY KING** line mares to seek for Move To Strike are predominantly those by his son **ENCOSTA DE LAGO** and sons **NORTHERN METEOR** (sire of **ZOUSTAR** and **DEEP FIELD**), **MANHATTAN RAIN**, **NEEDS FURTHER** and **RUBICK**. **SADLER'S WELLS** line mares to suit Move To Strike include those by, or tracing to **ADELAIDE**, **ARTIE SCHILLER**, **AUTHORIZED**, **CAMELOT**, **CHURCHILL**, **DAWN APPROACH**, **DUNDEEL**, **EL PRADO**, **FLYING ARTIE**, **FRANKEL**, **GALILEO**, **HIGH CHAPARRAL**, **HIGHLAND REEL**, **KERMADEC**, **MEDAGLIA D'ORO**, **RIP VAN WINKLE**, **SINGSPIEL**, **SO YOU THINK**, **TAVISTOCK** and **TORONADO**. Representatives of **NUREYEV** include **ASHKALANI**, **EXCELLENT ART**, **GOOD JOURNEY**, **PEINTRE CELEBRE**, **PIVOTAL**, **SIYOUNI**, **SPINNING WORLD**, **STARCRAFT**, **STAR WITNESS** and **STRAVINSKY**.

Invincible Spirit, grandsire of Move To Strike, is out of a mare by Kris (by Sharpen Up). He is a brother to **KEEN** and **DIESIS**. I Am Invincible / **SHARPEN UP** combinations have an impressive 13.27% stakes winners to runners rate. Group winners by I Am Invincible with another line to Sharpen Up via their dams, carry them via damsires **DANEHILL DANCER**, **CHOISIR**, **COMMON GROUNDS**, **HIGH CHAPARRAL**, **KEEN** and **MASTERCRAFTSMAN**. For further impact, **DANEHILL DANCER** carries a daughter of Sharpen Up to sex balance the son, Kris.

Move To Strike carries **ALMAHMOUD** family members Danehill, Machiavellian, Halo (twice) and four lines to Northern Dancer. Significantly, Danehill is represented by a daughter, Move To Strike's third dam. This opens up a world of **DANEHILL** sons and grandsons for Move To Strike.

While there are too many representatives to list, it is notable that of I Am Invincible's 15 Group 1 winners, five were out of mares from the Danehill sire line, namely **VINROCK** out of a **REDOUTE'S CHOICE** mare; **HOME AFFAIRS** out of a **FLYING SPUR** mare; **IN SECRET** out of a **CHOISIR** mare; **VIDDORA** out of a **MASTERCRAFTSMAN** mare; and **MARABI** out of a **TIGER HILL** mare. Redoute's Choice's son **SNITZEL** looks particularly appealing with Move To Strike. He sex balances both Danehill and Bletchingly via his sire, while his dam carries a daughter of Storm Bird to sex balance the son, Storm Cat, present in Move To Strike.

**MACHIAVELLIAN** appears in Move To Strike through daughter Helsinki, dam of Shamardal. A sex balanced duplication of Machiavellian would be created by Helsinki's brother **STREET CRY** – sire of **PER INCANTO**, **PRIDE OF DUBAI**, **SHOCKING**, **STREET BOSS** and **STREET SENSE**, as well as another Machiavellian son in **VETTORI**. **PRIDE OF DUBAI** creates additional close linebreeding with Move To Strike by his being a grandson of **ELJAZZI**, also granddam of Invincible Spirit. Storm Cat, grandsire of Shamardal, is a grandson of **CRIMSON SAINT**, who is also famous for her son, **ROYAL ACADEMY**. The combination of these two in a mating has produced such horses as Group 1 winners **SANTA ANA LANE**, **RIFF ROCKET**, **GYTRASH**, **VEIGHT FOXWEDGE**, **AWESOME ROCK**, **LION'S ROAD** and **IRISH LIGHTS**. Mares carrying Royal Academy's descendants such as **BEL ESPRIT**, **MOSHE** and **ALI-ROYAL** appeal.

Royal Academy is also easily accessed as damsire of **FASTNET ROCK**, who is doubly appealing for Move To Strike, being a son of Danehill. Mares carrying **SIR TRISTRAM** have also worked well with I Am Invincible. Group 1 winners **VIDDORA**, **INVINCIBELLA**, **ZAPATEO**, **LADY LAGUNA**, **ANOTHER PROPHET** and **MEDIA SENSATION** are examples. Ancestors of Sir Tristram to source in mares' pedigrees include **PIERRO**, **LONHRO**, **COLOMBIA**, **KAAPSTAD**, **MILITARY PLUME**, **MARAUDING**, **RESET**, **SAVABEEL** and **ZABEEL**.

Caerleon, sire of Move To Strike's second damsire Generous, is a **LA TROIENNE** family member. This famous line can be boosted by such members as **MORE THAN READY**, **WOODMAN**, **SCREEN HERO**, **BUCKPASSER**, **CONGRATS**, **PRIVATE ACCOUNT**, **NOBLE BIJOU**, **POLISH NAVY**, **BELONG TO ME**, **FRANCIS S**, **HOOK MONEY**, **CORNISH PRINCE**, **POKER**, **MR. BUSH**, **THE AXE II**, **PARDAL**, **ARDAN**, **BIMELECH** and **JET ACTION**. The **LADY SUSAN** family is represented by **DANZIG** (twice), **ROCKEFELLA** (twice) and **BLETCHINGLY**. These three work extremely well together. Other members of this family include the lesser seen **BEACHES**, **COPPER KINGDOM**, **GREY SEAS**, **KAMPALA**, **MILLIONAIRE**, **KING OF BABYLON**, **LA FONTAINE**, **SHOWOFF** and **IMMORTAL**. Move To Strike's sire I Am Invincible, whose damsire Canny Lad is a son of Bletchingly, works very well with mares carrying daughters of **BLETCHINGLY**. I Am Invincible's Group winners bred on this pattern include **BRAZEN BEAU**, **LIBERTINI**, **ECKSTEIN**, **HOLYFIELD** and **HAWAII FIVE OH**.

**BY ONE OF THE BEST SIRES OF OUR GENERATION, WHOSE PROGENY IMPROVE WITH TIME AND DISTANCE, LIKE FIERCE IMPACT DID - AND HE'S ALREADY OPERATING AT 8% BLACK TYPE PERFORMERS TO RUNNERS.**

The Deep Impact / Sunday Silence sireline typically doesn't produce early, brutal speed. It produces horses who get better with age. They train on. They thicken up. They strengthen. They settle into the mile and the middle distances at three, four, five and six — and that is where they win the races that matter.

Impact won himself first-up at 2. He has also produced multiple stakes performed 2 year-olds as well, however it was not until Matthew Smith, in Australia, let him furnish, mature and settle that he became that Champion older Miler. That is what we are seeing with his stock.

The first-crop runners are turning up at three with race wins, black-type performances and have been carefully managed by their trainers, knowing they're going to have durable strong horses clustered at 1,400 to 2,000 metres. The Oaks, The Derby's and like a quarter races as older horses. Some of Deep Impact's sons-at-stud include Saxon Warrior (Two Thousand Guineas Gr.1; sire of Sheza Alibi and no longer a returning shuttler to Australia) and the exciting Auguste Rodin (Derby Gr.1, Irish Derby Gr.1, Breeders' Cup Turf Gr.1) in New Zealand. In Fierce Impact Fierce Impact, those quality mile,

mile and you have the most accessible Sunday Silence sireline stallion standing in Australia and at a remarkable fee of \$8,800 (incl. GST). Fierce Impact can get you a sales horse with his second crop yearlings realising \$400,000 at the Inglis Easter Yearling Sale and \$200,000 at the Magic Millions. He has already had a number of trial winners and debut race track victors earn a passage to Hong Kong, a jurisdiction that should relish their profile.

He's versatile, affordable and the best is still to come.

Fierce Impact is out of the 2 year-old winning and dual Group 3 winner (over 1200 & 1400m) Keiai Gerbera and a full-brother to the Group 1 winning Keiai Nautique, victorious in the Tokyo NHK Mile Cup.

Fierce Impact (Jpn) is a three-time Group 1 winning son of Deep Impact from the Halo sire line, via world class sire, Sunday Silence. Fierce Impact's pedigree has some interesting patterns and individuals which can be exploited in matings with suitable broodmares. Concentrating on his sire firstly, Deep Impact has worked very well with **STORM CAT**, with 11 of his Group 1 or Grade 1 winners being out of mares carrying Storm Cat. This line can be found in Australasia via influences such as **HENNESSY** (and descendants **JUSTIFY**, **JOHANNESBURG**, **HENNY HUGHES**, **SCAT DADDY** and **TURFFONTEIN**); **SHAMARDAL** and sons **LOPE DE VEGA**, **PUISSANCE DE LUNE**; **CATRIL**, **GIANT'S CAUSEWAY**, **TALE OF THE CAT**, **REAL SAGA**, **VAN NISTELROOY** and **STATUE OF LIBERTY**.

Deep Impact himself is from the **ALOPE** family and carries fellow family members **Gone West** and **Round Table** via Fierce Impact's dam. This is also the family of **TALE OF THE CAT**, **PULPIT** (grandsire of **FROSTED**), **DOUTELLE**, **KNOWN FACT**, **MARJU**, **FOXLAWS**, **ALCIDE**, **ATAN**, **ABOVE SUSPICION**, **MUKDDAAM**, **SONG OF TARA**, **TELL** (sire of **POMPEII COURT** – damsire of **STARCRAFT**), **PARTHIA** and **KNIGHT COMMANDER**.

Fierce Impact's damsire **Smarty Jones** and **Hero's Honor** in his sire's pedigree, are **LA TROIENNE** family members. This influential line can be strengthened by the addition of such members as **MORE THAN READY**, **SCREEN HERO**, **CONGRATS**, **RHYTHM**, **PRIVATE ACCOUNT**, **BUCKPASSER**, **WOODMAN**, **BELONG TO ME**, **FOREST GLOW**, **NOBLE BIJOU**, **POLISH NAVY**, **BUPERS**, **FRANCIS S.**, **HOOK MONEY**, **CORNISH PRINCE**, **POKER**, **MR. BUSER**, **THE AXE II**, **PARDAL**, **ARDAN**, **BIMELECH** and **JET ACTION**.

**Smarty Jones** is by **Elusive Quality**, who like his own grandsire **Mr Prospector**, is a **FRIZETTE** family member. This line can be reinforced by mares by or carrying sires such as **ARTIE SCHILLER**, **ROAN ROCKET**, **SING SING**, **DJEDDAH**, **GREGORIAN**, **FERDINAND**, **JET PILOT**, **TO MARKET**, **LOMOND**, **MUKADDAMAH**, **BALDRIC II**, **SEATTLE SLEW** and **OMAN**.

More strains of **MR PROSPECTOR** are also beneficial. Fierce Impact's second damsire **Danzig** is a member of the **LADY SUSAN** family. It is unusual to have a daughter of **Danzig** in a sire's pedigree. A desirable sex balanced duplication can be created in matings by utilising mares who carry sons of **Danzig**. **DANEHILL** (by **Danzig**) has many representatives including successful broodmare sires **REDOUTE'S CHOICE** (and sons **NOT A SINGLE DOUBT** and **SNITZEL**), **DANEHILL DANCER** (and son **CHOISIR**), amongst a wide selection. Group 1 Deep Impact son, **Saxon Warrior** carries **Danehill** through his dam.

**Danehill** is a member of the **ALMAHMOUD** family, of which **Halo** and **Northern Dancer** (3 lines) are also members in Fierce Impact's pedigree. Another family member to seek is **MACHIAVELLIAN**, most easily seen via his son, **STREET CRY** and his sons such as **STREET BOSS**, **STREET SENSE**, **PER INCANTO**, **PRIDE OF DUBAI** and **SHOCKING VETTORI** is another son of **Machiavellian**.

Other **DANZIG** sire line representatives include those by **AD VALOREM**, **ANABAA**, **BELONG TO ME**, **BIANCONI**, **CAPE CROSS**, **DESERT SUN**, **GOLDEN SNAKE**, **GREEN DESERT**, **HARD SPUN**, **INVINCIBLE SPIRIT**, **LANGFUHR**, **NICCONI**, **PERUGINO**, **SNADEE**, **TESTA ROSSA** and **WAR FRONT**. Deep Impact's Horse of the Year **Gentildonna** is out of a **BERTOLINI** mare, while Champion 3yo Colt of Japan, **Satono Diamond** is out of an **ORPEN** (a grandson of **Danzig**) mare.

**Danzig** is from the **LADY SUSAN** family, which also includes **BLETCHINGLY** and **ROCKEFELLA**, influences with which he has worked very well. **Bletchingly** is most easily sourced through **CANNY LAD**, **HURRICANE SKY**, **STAR WATCH** and **SIR LAURENCE**. Sources of **Rockefella** include **INVINCIBLE SPIRIT**, **STAR WAY**, **BALMERINO**, **ALVARO**, **FAMOUS STAR**, **LONG ROW**, **GYPSY KINGDOM**, **IDEAL PLANET**, **KEEN**, **RADAMES**, **SWITCH IN TIME** and **CREESE**. Fierce Impact's third dam **Edge** is a daughter of **Damascus**.

A desirable sex balanced duplication can be created by using mares with sons of **DAMASCUS** in their pedigrees via sires such as **SALIERI**, **OGYGIAN**, **AMALGAM**, **SEA SWELL**, **DESERT WINE**, **GILDED TIME**, **PERSONAL FLAG** and **PRIVATE ACCOUNT**.

## ROYAL MEETING

INVINCIBLE SPIRIT X ROCK OPERA (LECTURE)

**\$8,800 INCL GST**  
16.1 1/2 HH

**ROYAL MEETING IS A GROUP 1 WINNER, AND IS OUT OF A GROUP 1 WINNING TWO-YEAR-OLD. HE IS THE SIRE OF A GROUP 1 WINNING TWO-YEAR-OLD, WAS CHAMPION FIRST SEASON SIRE OF VICTORIA AND IS STANDING AT A FEE BUILT TO SUPPORT BREEDERS**

Hayasugi propelled Royal Meeting to the top of the two year-old sire charts as he was ultimately crowned the Champion First Season Sire of Victoria. With that crown and thanks to the support of his shareholders and local breeders Royal Meeting saw his best opportunity at stud yet when he covered a quality book of 129 mares in 2024. There is more of a story to be told from just Hayasugi. From modest opportunity and in a COVID-affected beginning to his career at stud, the stunning entire is quietly compiling a nice record.

Typical of the sire line his stock have improved with age. They are predominantly fast horses who enjoy good-to-firm ground which is helping him develop an exciting profile in Asia. From four individual runners he has three winners with two of those being in the competitive Hong Kong jurisdiction. Mark Newnham trains both King Lotus and Incredible Moment who have developed good records winning, placing and performing with great grit and determination at each start.

His ability to produce a sales horse or a trade horse or a top 2 year-old is evident. His progeny's winning records improve with age (nearly 30% increased winning improvement, year-on-year as they mature), which is typical of the Invincible Spirit sire line and he has his biggest and best book, from the 2024 conceived crop, to hit the market next year. Priced aggressively at \$8,800 (incl. GST), Royal Meeting provides plenty of upside for those breeders looking towards a versatile outcome.

Royal Meeting's damsire Lecture, plus Round Table and Atan, are members of the ALOPE (2) family. GONE WEST (descendants include ELUSIVE QUALITY, GRAND SLAM, MR GREELEY, XAAR, IFFRAAJ, RIBCHESTER, WOOTTON BASSET and is present in TORONADO), MARJU, PULPIT, DEEP IMPACT, DOUTELLE, KNOWN FACT, MUKDDAAM, FOXLAW, ALCIDE, ATAN, ABOVE SUSPICION, SONG OF TARA, PARTHIA and KNIGHT COMMANDER are other members to seek to reinforce this line.

Round Table is present via son Artaius in Royal Meeting. SIR TRISTRAM is out of a daughter of Round Table, which will create a desirable sex balanced duplication. Mares carrying his descendants such as LONHRO, PIERRO, ZABEEL, SAVABEEL, MARAUDING, OCTAGONAL, GROSVENOR, KAAPSTAD, TIERCE, MILITARY PLUME and IMPERIAL PRINCE are appealing.

Invincible Spirit's champion sire son, I Am Invincible has had plenty of success with mares carrying Sadler's Wells, his brother Fairy King and three-quarter brother, Nureyev. The 39 (to-date) stakes winners with this pattern include the dams of Group 1 winners Imperatriz, Media Sensation, Invincibella, Home Affairs and Viddora. The SADLER'S WELLS sire line has many representatives in Australasia, such as BARATHEA, CARNEGIE, ARTIE SCHILLER, GALILEO (and sons including HIGHLAND REEL, CHURCHILL, TEOFILO, FRANKEL etc),

HIGH CHAPARRAL (sire of DUNDEEL, SO YOU THINK, TORONADO etc), MONTJEU, CAMELOT, SCENIC, TAVISTOCK and several more.

Australasia, such as BARATHEA, CARNEGIE, ARTIE SCHILLER, GALILEO (and sons including HIGHLAND REEL, CHURCHILL, TEOFILO, FRANKEL etc), HIGH CHAPARRAL (sire of DUNDEEL, SO YOU THINK, TORONADO etc), MONTJEU, CAMELOT, SCENIC, TAVISTOCK and several more.

FAIRY KING can be found in mares by ENCOSTA DE LAGO (and son NORTHERN METEOR - sire of ZOUSTAR and DEEP FIELD), FALBRAY, ADVENTUROUS, REVOQUE, HELISSIO, SHINKO KING and VICTORY NOTE.

Royal Meeting is light in the ALMAHMOUD family, carrying only two lines to Northern Dancer. More of this influence, plus fellow family members DANEHILL and his many descendants, MACHIAVELLIAN (sire of STREET CRY & VETTORI) and HALO in mares can boost this prepotent line. Halo can be sourced via SEBRING, MORE THAN READY, DON'T SAY HALO and SUNDAY SILENCE line mares, among others.

Invincible Spirit is out of a mare by Kris (by Sharpen Up). He is a brother to KEEN and DIESIS. DANEHILL DANCER carries a daughter of Sharpen Up to sex balance the son, Kris. Group 1 winning daughters of I Am Invincible, In Secret and Loving Gaby and other Group winners Fiesta and Eckstein, are

from mares by Danehill Dancer or his sons CHOISIR and MASTERCRAFTSMAN.

Royal Meeting's second dam Drummer Girl is inbred to BRAMLEA via sons Roberto and Mullineaux. Another relation to reignite this line in matings is DELTA JUDGE, who is present in STREET SENSE (and son HALLOWED CROWN), UNCLE MO, EXCELEBRATION and JIMMY CREED mares.

Drummer Girl is by Al Mufti, a descendant of MISSY BABA. Others to trace to this Blue Hen mare include STATUE OF LIBERTY, FOXHOUND, BITE THE BULLET, DUKE OF MARMALADE, A.P. INDY, EAVESDROPPER, HONOR GRADES, SAITHOR, RAJA BABA, GAY MECENE, LEMON DROP KID, SAUCE BOAT and PLUGGED NICKEL.

Buckpasser, duplicated in Royal Meeting's dam, is a LATROIENNE family member. This influential line can be strengthened by the addition of such members as MORE THAN READY, WOODMAN, BELONG TO ME, FOREST GLOW, SCREEN HERO, CONGRATS, PRIVATE ACCOUNT, NOBLE BIJOU, POLISH NAVY, BUPERS, FRANCIS S., HOOK MONEY, CORNISH PRINCE, POKER, MR. BUSHY, THE AXE II, PARDAL, ARDAN, BIMELECH and JET ACTION in mares.

SNITZEL - FONTITON (TURFFONTEIN)

**\$6,600 INCL GST**  
15.3 HH

**GENERATION WAS A GOOD TWO-YEAR-OLD. HE WAS A GOOD THREE-YEAR-OLD. AND HE TRAINED ON TO BE GROUP 1 PERFORMED AGAINST THE BEST SPRINTERS IN AUSTRALIA AT FOUR. THAT IS THE RACING CV OF A STALLION BUILT TO THROW FAST HORSES.**

Being by Snitzel, the most influential commercial speed sire of the modern Australian era and, at present, the dominant force in the domestic 2 year-old market.

Snitzel's numbers are the kind that close arguments:

- 173 stakes winners
- 113 at Group level)
- A\$302 million in progeny earnings
- 4-time Champion Australian Sire
- 4-time Champion Australian 2YO Sire

An undefeated 2 year-old himself, Generation is out of Fontiton, a flying filly renowned by all

in the Caulfield trainers tower for her blinding, early speed. Fontiton was an October debutant winning the MVRC Inglis Banner 2YO Stakes by 6 lengths.

Returning for the traditional Blue Diamond lead-ups she came back as a juvenile and won the both Blue Diamond Preview and Prelude's comfortably. Three wins from four starts at two. Lightning fast. Strong. Forward. Quick. A near perfect two-year-old. With that precocity and pedigree behind him Generation has the physique, and a line-up of quality foals that have him following in the footsteps of the very similarly profiled Sword Of

State, the exciting New Zealand freshman sire who has received a fee boost up to NZD \$50,000 this season.

Generation's early sales ring results have shown that he is a stallion that delivers you a quality, strong sort of foal and a return on investment. An exciting option at a ridiculously priced fee of \$6,600 (incl GST), the same as Written Tycoon's in his third season at stud too. Wait to you see his progeny too. You'll understand why we are bullish on his chances and why he fits the mould of being the right kind of Snitzel to stand at stud.

**"The Generation colt ex. Queen For Ninedays on farm has a real presence. He carries himself with the confidence and athleticism that separate the good from the exceptional."**

**- Mark Lindsay, Ultra Thoroughbreds.**

## FAST, COLONIAL SPEED - IT ONLY GETS FASTER WHEN MATCHED WITH...

A theory we are strong on, and one we want to encourage and reward. Generation links with Written Tycoon in three independent ways on his pedigree — through Snitzel, through Turffontein (his broodmare sire, who shares Snitzel's Danzig/Storm Cat speed signature) and through Rubiton (his 2nd-dam sire).

Mares by Written Tycoon, and daughters of his sons, are ideal candidates for Generation.

**Rubiton × Written Tycoon**  
**Runners 53 (83% Wnrs/Rnrs)**  
**Stakes Winners 6**  
**Group Winners 3**

The headline runner from this nick is SUPER CASH (Gr.2 MRC Schillaci Stakes), WRITTEN DASH (Gr.3 Typhoon Tracy S.) and notably PINKHAM — Generation's half-sister, who is by Written Tycoon, proving the cross works already within the family.

# THE SWORD OF STATE COMPARISON

**Snitzel**

**Generation**

**Sword Of State**

The market has been waiting for an elite son of Snitzel to really stamp themselves as a sire, one that looks like Snitzel himself. Cambridge Stud resident Sword of State looks to be the one capable of really kicking on.

The breeders that have supported him enjoyed great returns on investment and are now rewarded by selling into a market where his fee is NZD\$50,000. His success comes off the back of WARWOVEN(Gr.3 ATC Pago Pago St), TORTURE (Listed MRC Debutante St) and State of Valour (Gr.1 placed in the Sistema St).

Generation's physique, profile, pedigree and performance run parallel with that of Sword Of State's. His weanlings have already achieved 100% clearance rate at the sales averaging 3x return on service fee and already finding their way into the yard of Ciaron Maher, taken with their precocity. At \$6,600 (incl. GST) Generation is your low cost, high-return play this season.

## GOLD TRIP

OUTSTRIP (GB) - SARVANA (FR) (DUBAI DESTINATION)

**\$5,500 INCL GST**

16.0 1/2 HH

**THERE IS A PARTICULAR KIND OF RACEHORSE THE RACING WORLD QUIETLY ADMIRES — THE ONE WHO KEEPS SHOWING UP. NOT THE ONE WHO FLASHES ONCE AND DISAPPEARS.**

**THE ONE WHO RUNS IN THE DEEPEST RACES FOR FOUR CONSECUTIVE SEASONS, AGAINST THE BEST HORSES ON THE PLANET, AND IS NEVER OUT OF THE PICTURE.**

**GOLD TRIP IS THAT HORSE.**

At his second season in training he had already finished fourth in the Prix de l'Arc de Triomphe — the most concentrated 2,400 metres of class run anywhere in the world — beaten less than a length and a half in a finish that included Sottsass, In Swoop and Persian King. He was three years old. He returned at four to run the Group 1 winner Mare Australis to a length and three-quarters in the Prix Ganay, a weight-for-age contest at 2,100 metres in which he carried 58 kilograms and conceded experience to the winner.

He finished a nose third in the Grand Prix de Saint-Cloud in the same campaign. He had, by this point, run in five Group 1 races in France — the Prix du Jockey Club, the Grand Prix de Paris, the Arc, the Prix Ganay and the Grand Prix de Saint-Cloud — and finished in the placings or the frame in four of them. He came to Australia in mid-2022 to join Ciaran Maher and David Eustace and proceeded to do something only one other horse has ever done in the modern Australian record: he contested the Cox Plate, the

Caulfield Cup and the Melbourne Cup in two consecutive years, and won, placed or ran honestly in every one of them. The previous horse to manage that feat was Rising Fast — in the 1950s. He won the Turnbull Stakes at weight-for-age over 2,000 metres at Flemington — a race in which he gave Romantic Warrior a galloping lesson, beating one of the best horses in the world by more than three lengths at weight-for-age over the Classic distance.

## From a famed family, fostered, cared for and nurtured by the Aga Khan.

Gold Trip's dam Sarvana is by Dubai Destination — himself a Group 1-winning son of Kingmambo. As a broodmare sire, Dubai Destination has been responsible for 60 individual stakes-winners worldwide, 33 of them at Group level, and earnings of more than A\$119 million. When Dubai Destination gets a good one, he gets a champion. Thunder Snow. Golden Horn. Postponed. Gold Trip.

But the deeper story is the family beyond Sarvana. The “Sa-” naming convention — Sarvana, Sarlisa, Sarliya, Safita — is one of the most recognisable in European breeding. This is an Aga Khan family. The third dam Sarliya is by Doyoun (the Aga Khan's 1988 Two Thousand Guineas winner). The fourth dam Safita, by Habitat, was second in both the Group 1 Prix Saint-Alary and the Group 1 Poule d'Essai des Poulaches in France, and is the producer of Group 2 winner Safawan. Sarvana herself is a half-sister to Sarkiyla (Group 3 winner, Group 1-placed in the Prix Jean Romanet and the Prix du Moulin de Longchamp), who in turn produced Saiydabad (Group 3 winner, fourth in the Prix du Jockey Club).

This is what a deep, patient, world-class breeding family looks like. The Aga Khan studs are renowned for it: families that produce Group performers across multiple generations, that absorb crosses cleanly, and that throw classic-distance horses generation after generation. HH Aga Khan IV spent six decades building one of the most genetically rigorous and commercially significant breeding operations in the world. Gold Trip is a product of that work.

"The Gold Trip colt ex. Saving Grace has caught my attention during his preparation. He has quite a lot of natural muscle combined with his quality, as well as a great hip and a short cannon. He's extremely sound of mind and handles everything he does with ease. I quietly take note of these kinds of horses."

Sherah Sullivan,  
Sullivan Bloodstock.

"Our Gold Trip colt is the first foal from Whakamana, a mare we know well from her time in our racing team. He has been a standout from day one, consistently drawing attention at inspections on the farm. A correct, forward-moving colt, he is strongly stamped by his sire and possesses a professional, trainable mindset."

Dee Gee-Jones,  
Manager of Merricks Station.

"What appealed to us in Gold Trip was his dynamic turn of foot, as we saw in that explosive performance in the G1 Turnbull Stakes. There is no doubt in my mind that was best 2000m field assembled in this country in the last 20 years and he beat them with his head on his chest. Sectionally he was a WFA elite performer which was evident when carrying weight and beating them in the big handicaps."

# THE SPEED GENE & THE CLASSIC PROFILE.

## Genetically built for the Classics.

A blood and hair sample tested through Equinome Labs has confirmed Gold Trip carries the CT (heterozygous) speed-gene profile.

Equinome's myostatin (MSTN) speed-gene test is the most-replicated piece of equine genomics in the modern thoroughbred. The CT variant is the middle-distance type — the genetic signature most strongly associated with horses that excel between 1,600 and 2,400 metres. The Classic distances. The Guineas, the Oaks, the Derby, the Caulfield Cup, the Cox Plate, the Derby Italiano, the Prix du Jockey Club.

This is the data backing what the form already shows. A horse who won at Group 2 over 2,200m at three, who was Group 1-placed in the Ganay over 2,100m, who won the Turnbull over 2,000m, who finished fourth in the Arc over 2,400m — and who, when he had to, stayed the Melbourne Cup distance.

Gold Trip is bred to make Classic-distance horses. Not stayers in the narrow Australian sense of the word. Classic horses — capable at a mile, a mile and a quarter, a mile and a half. The horses who win three-year-old features in the autumn and the spring of their three-year-old season. The horses who push through into Caulfield Cups and Cox Plates as four-year-olds.

The horses who make money at the right end of the calendar. That is the commercial profile of the modern Australian middle-distance horse. And it is what Gold Trip is genetically primed to produce.
